Together Everyone Achieves More

Do you have a child with Special Educational needs and/or Disabilities (age 0-25) in Bedford Borough or do you work with children with SEND?

Following our Outcomes Framework completed at the end of 2018, we are repeating the surveys to see what has/hasn't changed in Bedford Borough. An Outcomes Framework is a tool the local area will use to measure how well Bedford Borough Council and the Clinical Commissioning Group are looking after children and young people (age 0-25) with Special Educational Needs and Disabilities (SEND).

We need to hear from as many families as possible so we need you to complete our survey.

Please go to our Survey Monkey link or scan this QR Code with your phone's camera which will take you directly to the survey
