SJSG FRIDAY FLYER

A message from Mrs Otter

Home Learning

Thank you to all of our families that attended parents' evening this month. Your continued support is very much appreciated. Together we can ensure that your child/children can achieve their full potential. If you couldn't make an appointment, please contact the school office and an appointment can be arranged for you.

Please remember to encourage your child/children to use the school's learning platforms to accelerate their learning. Passwords have gone home.

Help your child: Safety online

Do you know what online content your child accesses?

Do you monitor their use of mobile phones, computers and tablets?

In the UK the law states that children must at least be 13 years of age before they use any form of social media.

Social media applications include but are not exclusive to:

TikTok, WhatsApp, Facebook, Instagram and Snap Chat.

Children below the age of 13 do not have the cognitive development to fully understand the impact of online actions and content.

Christmas Fayre

On Monday 16th December from 3:30pm we will be hosting a school Christmas Fayre.

There will be lots of fun on offer, including a Chocolate Tombola! Thank you very much for the kind donations of chocolate. There will be lots of yummy treats to be won.

Please remember to purchase tokens in advance from the school office to have a go on the games.

Advent

Sunday marks the start of the Liturgical Season of Advent.

The word 'advent' means 'coming'. It is a time of preparation for the celebration of the birth of Jesus.

This special time teaches us to be patient. At SJSG, 'patience' is the virtue under the spotlight in the lead up to the Christmas holidays.

Let us inspire our children to:

- be patient and to wait calmly.
- recognise patience is an exercise in self-control.
- understand patience will reap long term benefits.
- accept being patient involves tolerating some unease as we wait.
- recognise we need patience as we wait the coming of the Lord.
- recognise that, God gives us the strength to be patient.
- learn to be patient.
