

### Literacy

- Poetry
- Stone Age Boy (narrative) and How to Wash a Woolly Mammoth (instructions)
- Write non-chronological reports about prehistoric life
- Create a fact file about the discovery of Skara Brae

#### Parent Top Tip

Read with your child regularly and encourage them to rewrite the story in their own words.

Teach your child how to write their address correctly, including placing information on the correct line.

### Maths

- Multiplication and Division
- Time
- Fractions

#### Parent Top Tip

Play maths games on <http://www.ictgames.com>, [www.topmarks.co.uk](http://www.topmarks.co.uk), and [www.bbc.co.uk](http://www.bbc.co.uk)

### Religious Education

- Community
- Listening and Sharing
- Giving All

#### Parent Top Tip

Help your child to think about their life journey and connect this to events on the religious calendar.

Discuss the importance of listening and sharing within different contexts and why it is important.

### Physical Education

- Gymnastics
- Invasion Games – hockey, basketball

#### Parent Top Tip

Play different games with your child outside. Share the importance of being a team player with your child. Play throwing and catching games to increase coordination skills.

### Information Communication Technology (ICT)

- Online safety
- Databases – Excel for graphing
- Touch typing

#### Parent Top Tip

Discuss keeping safe online with your children, and how and why we support them in this.

Encourage your children to use different programs on the computer to create opportunities for them to practice touch typing. Purple mash can be used for practice, all children have a log in.

### Science

In Science we will be learning about light and shadows. This will include planning and carrying out fair tests.

#### Parent Top Tip

Explore shadows at different points of the day at home. The local library is a great place for you and your child to find more information about our science topic.

## *Stone age to Iron age*

*Year 3 – Spring Term 2020*

**One body; many parts**  
1 Corinthians 12

### History

- Changes in Britain from the Stone Age to the Iron Age
- Timeline of events
- Researching answers to our own questions
- Compare the different periods of history

#### Parent Top Tip

Museums offer a wealth of direct knowledge through the ages. There is an opportunity to use 'hands on' artefacts and extend the relationship between the past and present.

### Music

- Learning new songs – Sing On

#### Parent Top Tip

Sing songs and rhymes together with your child.

### French

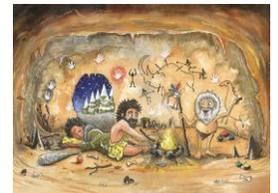

- Name objects and places
- Greet each other in full sentences

#### Parent Top Tip

Talk to your child about what they are learning in class and ask them to name objects at home.

### Art/DT

- Cave art – pictures, sketches, drawings
- Stone Age tool making

#### Parent Top Tip

Research different artists with your child and encourage them to say what they do and do not like about the artwork.

### Personal, Social, Health and Citizenship Education (PSHCE)

In PSHCE we will be learning about online safety and digital literacy and relationships with our families and people around us.

#### Parent Top Tip

Spend time with your children discussing their family and friends and how they interact in their relationships.
