SJSG FRIDAY FLYER

A message from Mrs. Otter—Head Teacher

Happy Friday!

We hope you have been enjoying the frosty weather as much as us at school, the children always thoroughly enjoy exploring the ice patterns and how beautiful the world looks under a blanket of frost!

Currently we are struggling to be able to provide children with spare clothes, if they have an accident or get too dirty. If you have any old clothes in the house that are no longer required, we would be so grateful for donations to our 'spare clothing' supply. Please send what you can to the school office.

As always thank you for your ongoing support of our school.

Relationships and PSHE Curriculum

As you know we use Ten Ten Plus resources to teach our Relationships Education and Personal, Social, Health and Economic Education (PSHE). Ten Ten Plus has been approved by the Catholic Education Service, and our staff have been trained to deliver the programme.

Ten Ten provides an Online Parent Portal to keep you informed and updated about the work we are doing in school.

The portal includes:

- An overview of the programme of Life to the Full Plus
- Guidance for parents on the content of lessons
- Activities that can be undertaken at home to support the delivery of the programme

The parent portal can be accessed at: <https://www.tentenresources.co.uk/parent-portal/>

You will need the following login credentials for our school:

Username: SJSGTenTen

Password: SJSGTenTen2024

Important Date

Monday 22nd January 2024

Year 6 parents are invited to a meeting at 5pm to discuss this year's residential trip.

Parent Teacher and Friend Association

Thank you to the parents who attended our first meeting last week. Mrs. Simpson and Miss Moloney thoroughly enjoyed meeting with you. There were lots of wonderful suggestions of events that could take place across the school year. So please watch this space!

If you are interested in being part of this group and were unable to attend the meeting, please email the school office on office@sjsg.beds.olicatschools.org to express your interest. Miss Moloney and Mrs. Simpson will then be in touch with you.

Thank you!

House Points

Our school is divided into Houses. These are groups of children and staff who work together to earn points. Points are earned by demonstrating our school virtues. Our houses are named after the following words:

Autonomy (A), Language (L), Inclusion (I), Virtue (V) and Experience (E).

The words represent opportunities and characteristics that we want to develop for our children while in school.

Last term the following points were earned across the school:

A = 821

L = 780

I = 814

V = 714

E = 794

Well done to Autonomy House for winning last term's House Cup!
