Dear Parent/Carer

**Year 3 visit to Herrings Green Activity Farm & Bird of Prey Centre**

The children have settled well in to the routines of Year 3 and we have organised to take them to Herrings Green Activity Farm & Bird of Prey Centre in Wilstead, on **Friday 28<sup>th</sup> September 2018** where they will learn all about how to look after animals, in particular; owls, parrots and eagles which we hope they will enjoy.

We will travel by coach to and from the farm which will be departing from school at 9.00am prompt, we are unable to delay the coach for any reason therefore please ensure your child is in school for registration at 8.45am. We will return to school before the end of the school day in time for their usual collection at 3.15pm.

All children are expected to wear full school uniform, sensible footwear and a coat depending upon whether conditions as much of the day will be spent outside. If your child has an inhaler or any other medication that we do not currently hold at school, please ensure this is sent with your child on the day and complete a medication administration form at the school office.

The school kitchen will provide all children with a packed lunch; please indicate your child's sandwich preference on the form below. We will require parent volunteers to help on the day. Please indicate on the form below if you are able to support us.

In order for this experience to go ahead we are asking for a voluntary donation of £5 per child. You are able to make payment online via your Scopay account, please ask at the office for details on how to set this up or by sending the correct amount into the school office in a named and sealed envelope. If your child is entitled to the pupil premium budget this will be deducted from your account. Please complete the form and return to the school office as soon as possible.

Yours sincerely,

The Year 3 Team
