SJSG FRIDAY FLY-

A message from our school community

It's been a hot week this week!

As the hot weather continues, please make sure that your child comes to school with a sun hat.

Before they arrive at school, make sure they have applied sun cream thoroughly.

We provide all children with a water bottle, which they have unlimited access to.

Faith Life

So far we have been informed that two children have made their First Holy Communion this year.

If your child has made their Holy Communion recently and you would like them to be involved in our special celebration, please email the school office to inform us:
office@sjsg.beds.olicatschools.org

Curriculum

The Year 4 children have been working incredibly hard this year to learn all the multiplication tables. We are incredibly proud of them, because recently they all took part in the Department for Education's multiplication check. As a school we have achieved above the national average by 5%.

Thank you to all parents who have supported their child with learning their multiplication tables.

Supporting your Child

On Monday afternoon your child will go to their new class. They will all come home with a letter telling you which class they are in. You will still collect them from their current classroom at the end of the day.

Please talk to your child about the next academic year. This will help them to settle into their new class quickly and happily.

Pedagogy

Guided Student Practice

For children to be successful, teachers in our school build in additional learning time for children to rephrase, elaborate and summarise new learning material in order to store it in their long term memory.

Once learning is stored in the long term memory, children make more rapid progress.

Monday 1st July 'Meet Your New Teacher Afternoon'

Year 6 Residential Trip Tuesday 2nd July-Thursday 4th July

Sports Day for Years 1, 2, 3, 4, 5 and 6 Friday 12th July 1:30pm
