30th January 2019

Dear Parents and Carers

As part of our care for children who are diagnosed as asthmatic, we are now allowed to keep an "emergency inhaler" in school for pupils to use.

Please complete the slip below to confirm that you are happy for your child to use the school emergency inhaler if their own inhaler is not available or expired.

Please make sure that we are up to date with any of your children's medical conditions. If your child has recently been diagnosed as having asthma, please notify us so that they can be recorded onto our asthma register. If your child no longer suffers from asthma, please inform the school so our records can be updated.

Yours sincerely

Mrs A Symonds

Senior Deputy Head teacher

My child _____ in class; _____ has been diagnosed by the Dr as having Asthma. I therefore give permission for him/her to use the emergency school inhaler if required.

Signed _____ Parent/Carer
