

The St. Francis of Assisi Academies Trust.

‘One body in Christ’

Single Equalities POLICY

Rationale

The St. Francis of Assisi Academies Trust (SFAAT) has a distinctive Catholic ethos which values each individual as a child of God. All students and staff who enter our schools have an equal value and therefore an entitlement to full equality of opportunity. The schools continue to strive to apply the Narrowing Gaps agenda that analyses outcomes for groups as evidence of equality in opportunity.

The Trust recognises the need to eliminate any form of discrimination, breaking down any associated barriers. The schools will promote and celebrate “Equality for All” regardless of age, disability, race, ethnic or national origins, religious or political beliefs and affiliations, gender, sexual orientation, marital status and family responsibilities thus embracing all strands of equality. The Federation of Schools understand their legal and moral responsibilities and embrace and celebrate their rich diversity at every opportunity, whilst equally attentive to their tradition as Catholic Schools and their mission to uphold the teachings of the Church.

The ethos of the schools is clearly expressed in their shared Mission Statement: “Always faithful to the Glory of God.” The foundation of this rests on our equality as children of God.

This Single Equality Scheme encompasses equality in all forms including, Disability, Race/ethnicity, Gender, Sexual Orientation, Age, Faith/belief and Re-assignment of Gender. Whilst being consistent with previous schemes and policies, it represents a co-ordinated approach to Equality and Diversity and a commitment to an ongoing process of positive development. It is the Trust’s vision to provide an environment in which discrimination in all its forms is deemed to be unacceptable and to treat everyone equally, irrespective of their gender, race, ethnicity, belief, age, mental or physical health or sexual orientation. Tackling discrimination and promoting healthy

relationships with people is wholly consistent with the School's pursuit of excellence and its deeply embedded spirituality.

The Equalities Act Statutory Requirements: The School's Single Equality Scheme (SES) covers the statutory duties of the Race Relations (Amendment) Act 2000, the Disability Discrimination Act 2005 and the Equality Act 2006, and also protects against discrimination on the grounds of age, sexual orientation and religion. The Scheme will integrate equality and fair treatment issues into our core priorities and functions. It incorporates existing, revised policies: Race Equality and Equal Opportunities along with new Disability Equality (previously Accessibility) and Gender Equality Policy. Leadership and commitment at all levels of the organisation are central to the success of the Scheme. In
