December 2019

Dear Parent/Carer

School Uniform

I am writing to remind everyone of our school uniform requirements and urge you all to send your child to school in the correct uniform. I would like to take this opportunity to thank those children and parents who always adhere to our uniform policy and arrive at school looking smart and ready for learning.

We have high expectations for our children and school uniform is an obvious symbol that you and your child share these expectations, and have a pride in belonging to our school community. We therefore set a clear expectation that correct uniform will be worn. If you are unsure of these expectations then please see our school website for an outline of our policy.

All school uniform items must be named, so we can return lost property to the correct child. Items which are not named make it almost impossible for us to return to the correct owner.

Shoes worn to school should be appropriate. They must be black and plain in style; these too must be named.

We expect that in January all children will return to school in the correct uniform and wearing the correct shoes. Any child who is not following the school uniform policy will be issued with a letter for their parents explaining our concerns around what they are wearing to school.

Many thanks for your support.

Mrs Otter
