

Who Are We?

Our project helps support young people aged 5-16 years through after school and holiday clubs. The clubs mix fun with learning. The Pastoral team work closely with schools to support and build links with young people and their families.

We have the unique opportunity to offer bursary places on many of our courses to promote inclusion for all.

What Covid precautions were taken in summer clubs?

- Group sizes appropriate to Covid guidelines (this differs depending on activity)
- Extra Hand wash stations
- Individual equipment, storage of belongings
- Deep cleaning of site between bubbles
- Regular hand wash breaks
- One way systems
- Social distancing where possible
- Regular cleaning of equipment

We will continue to implement many of these rules in after school clubs where appropriate and include the use of face masks during certain activities.

AUTUMN CLUB INFORMATION

We will be running a limited timetable for Autumn term 2020 so we can ensure all our activities are in line with government guidelines for safe running. This means places will also be limited so we ask that you only sign your YP up to one activity this term to give as many YP as possible an opportunity to attend a club.

To find out if your YP is entitled to a bursary place head over to our website to view our full bursary criteria. On our website you can also view our Behaviour Policy and other important documents for running procedures.
