

About the Pupil Premium Grant (PPG)- Review of Year 2016/2017 and Action Plan for 2017/2018

The PPG is allocated to children who are known to be eligible for Free School Meals (FSM), Service Children and children who have been looked after (CLA) continuously for more than six months. This will also include pupils eligible for FSM at any point in the last six years (known as the Ever 6 FSM measure).

It is for schools to decide how the PPG is spent, as they are best placed to assess what additional provision should be made for the individual pupils at their school.

From September 2012, schools have been required to publish online information about how we have used the PPG. This is to ensure accountability for public spending, and so that parents and others are fully aware of the attainment of pupils covered by the Premium and the extra support that they receive.
